

Rijmkaarten

Beste allemaal,

De rijmkaarten uit dit document kunt u gebruiken om in de klas of thuis te oefenen met rijmen. Met deze kaarten zijn veel verschillende spelletjes te doen. Deze kaarten heb ik gemaakt voor de applicatie “Rijmen maar” uit de Google Playstore en Apple Appstore. Naast het inzetten van deze kaarten, kunnen de kinderen ook zelfstandig aan de slag met deze applicatie.

Ik wens jullie veel plezier met het gebruik van deze kaarten. Verder zou ik het leuk vinden als jullie eens een berichtje op Social-Media zetten, of eens een kijkje nemen op mijn website.
